

RMMBA Executive Code of Conduct

The RMMBA Executive plays a critical role in the day to day operations as well as long term planning of the Ridge Meadows Minor Baseball Association. This Code of Conduct has been developed to assist the Executive in developing a standard of personal behaviour that will allow them to do their best job for the association.

As an Executive Member in Ridge Meadows Minor Baseball, I agree:

- to abide by all policies, rules, and codes of conduct imposed by RMMBA and its governing bodies;
- to exhibit the important character traits of honesty, integrity, fairness, dependability and cooperation;
- to be a positive role model and encourage sportsmanship by demonstrating respect, courtesy, and positive support for all athletes, coaches, officials and volunteers at all times;
- to keep personal information I am made aware of while executing my duties in a strictly confidential manner;
- to make decisions for the good of all players, parents, coaches and RMMBA;
- to put my personal differences aside so that I can work with others towards a common goal knowing that each person must support the group consensus;
- to respect the dignity of others and ensure that I am criticizing the ideas presented rather than the person presenting them. Personal attacks are unacceptable.
- to be knowledgeable, well organized and research facts, as well as listen to each and every person, before making a decision;
- to carry out the duties assigned to the best of my abilities, with the experienced helping the inexperienced. I will ensure that the task is clearly understood, accepted and completed;
- to use the [Conflict Resolution Policy](#) to resolve any event or concerns that arise.

I confirm that I have read and understood the Executive Code of Conflict and Conflict Resolution Policy and I agree to abide by these rules and policies.
