

## Jersey Policy

### Spring Season Teams

In the Spring season, RMMBA supplies uniforms consisting of a hat and t-shirt to every registered player that they may keep after the season is concluded.

Teams playing against other teams within Maple Ridge will be issued a MLB t-shirt and matching MLB hat; teams playing interlock with other associations will all be known as the "Royals" and will be issued different coloured "Royals" t-shirts and hats.

Careful consideration has been taken on colours/teams that are issued; it is mandatory that you wear the issued uniform for all games.

Players are also required to wear athletic protective equipment (i.e. jocks & jills) for games and practices. Due to hygiene reasons, we do not issue batting helmets.

### Single Season/Summer Ball Teams

Each player and coach on the team's roster must provide the coach or manager a cheque made payable to RMMBA, post dated to August 1 of the current year as a security deposit.

Single Season Teams:           \$250 (two jerseys)

Summer Ball Teams:           \$125 (one jersey)

#### Start of Season

The coach or manager of each team must complete the jersey sign-out form with a list of players, jersey numbers, and must also collect all deposit cheques before being issued their jerseys.

The coach or manager of each team must come to the Blockhouse at the designated time for jersey pickup. They must bring the completed form and all deposit cheques.

#### **HOW TO TAKE CARE OF THE JERSEY**

- **WASH IN COLD WATER**
- **HANG TO DRY**
- **NO ALTERING OF THE UNIFORM IN ANY WAY**

### End of Season

At the end of the season, the player will give the washed jersey(s) back to the coach or manager. The coach or manager will return all team jerseys to the Blockhouse at the time designated by the Uniform Manager.

A coach or player's cheque will be cashed if the jersey(s) is not returned or if there is any damage beyond normal wear expected.

In the case of a cheque being cashed and returned NSF, that player's registration will have a hold placed on it for the following season until the payment is received.
